

# Back to School Night & PTA General Meeting Partnership Elementary Schedule for August 16, 2007

We have a very busy evening planned for our Partnership Parents. Please look over the schedule for the evening. We have worked hard to provide each family with an opportunity to attend a presentation in your child(ren)'s classroom and to learn about our PTA all in one night. The 5:00 and 6:15 presentations are the same. For those families with multiple rooms to visit, teachers will have handouts of their presentations for you. Parking is always challenging for these school-wide events. We suggest you look for other parents to carpool with. Babysitting will not be provided. We look forward to seeing you. Please bring your notepads, questions and cheerful smiles.

## Back to School Night Schedule
