

Back to School Night & PTA General Meeting

Partnership Elementary

Schedule for August 6, 2009

We have a very busy evening planned for our Partnership Parents. Please look over the schedule for the evening. The 5:00 and 6:00 presentations are the same. The classroom presentations will give you an opportunity to learn more about your child(ren)'s classroom. The PTA General Meeting will be a great time to learn about our outstanding PTA's activities, become a member, join a committee, and buy Partnership Spiritwear. For those families with multiple rooms to visit, teachers will have handouts for you. Parking is always challenging for these school-wide events. We suggest you look for other parents to carpool with. Babysitting will not be provided. We look forward to seeing you. Please bring your notepads, questions and cheerful smiles.
