Parent Information Sessions last approximately one hour and include a presentation about Partnership Elementary and a school tour.

We ask that adults only attend our daytime sessions. Students and siblings are welcome to visit and tour the school during one of our after school presentations.

Come and find out about this small, cohesive school that truly believes in partnerships to support student learning. There is an application process similar to the magnet schools.

Please call 856-8200 to make your reservation for any session or tour.

~ Spaces are limited for sessions and tours held in the morning~
